

Press release, OPENFLYERS, July 25th 2011

OPENFLYERS HOTLINE: COMING SOON!

Willing to offer the best service to its customers and to process their inquiries, **openflyers** will soon put in place an hotline (excluding fixing support).

Our hotline will be available on Monday, Tuesday, Thursday and Friday, from 9 to 1 PM and 2 to 5 PM, whatever membership you have subscribed (For the moment, please send us an e-mail, and we will communicate you a dedicated phone number).

What are the advantages of **openflyers** hotline?

- ✓ A direct access with our operator (during the hours worked) who can answer immediately to your questions which have a solution known by our team.
- ✓ A better handling of your questions.

We will do our best to answer to your needs, to guide you in your search and, should the case arise, will transfer your questions to the persons concerned.

For more details concerning our hotline for the different membership, please consult our website, tab *Telephone support*:

IE 6 VS SMARTPHONES

openflyers wishes to let you know about the next deletion of Internet Explorer 6 support on the new release 3.0 in consideration of an adaptation to smartphones.

SUMMER HOLIDAYS

openflyers team will be on holidays from August, 15th until September, 2nd.

About **openflyers**

openflyers is a complete internet management solution for aviation structures. Leader in France, more and more overseas customers use it thanks to its multilingual interface. Nearly 25,000 pilots interact all over the world with **openflyers** for the whole management of their aviation structure (booking, billing, accountancy, flight tracking, maintenance).

openflyers, this is also a development team, composed of aviation specialists, who devotes its times since 2003 to develop the application to suit your needs and offer you a robust solution, which evolves continuously.
